

From March to August 1, 2009, U.S. faculty and professionals are invited to apply for *Fulbright scholar grants at www.cies.org. For monthly updates, write us at outreach@cies.iie.org for a complimentary subscription to *The Fulbright Scholar News*, an electronic newsletter.

**The Fulbright Program, sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs, is the U.S. government's flagship international exchange program and is supported by the people of the United States and partner countries around the world. Since 1946, the Fulbright Program has provided more than 286,000 participants from over 155 countries with the opportunity to study, teach and conduct research, to exchange ideas and contribute to finding solutions to shared international concerns. For more information, visit <http://fulbright.state.gov/>.*

Fulbright Scholar Program for US Faculty and Professionals is open for 2010-2011

The Fulbright Scholar Program is offering **29 lecturing, research or combined lecturing/research awards in public health, including a Fulbright Distinguished Chair**. Even better, faculty and professionals in public health also can apply for one of the **144 "All Discipline"** awards open to all fields.

What does Fulbright offer in public health? Here are a few of the awards for 2010-2011:

African Regional Research Program – Award #0041 – AIDS and AIDS-Related Research

Canada – Award #0518 – Environment, Health and Sustainability

India – Award #0485 – Medical Sciences, Communications, Information Technology

Lebanon – Award #0451 – Health Education and Community Health - health promotion, health education, community health and development, environmental health

The application deadline for Fulbright traditional lecturing and research grants worldwide is August 1, 2009. U.S. citizenship is required. For other eligibility requirements, detailed award descriptions, and an application, visit our website at www.cies.org, or send a request for materials to scholars@cies.iie.org.
